Dear Parents & Guardians,

04/04/25

It was wonderful to end the term with a non-uniform day to raise funds for our library project. The PTA has been incredibly active in various fundraising efforts, including a fantastic disco last week. A heartfelt thank you to all PTA members for their dedication and hard work. Your efforts are greatly appreciated and are making a significant difference in improving our school. I hope you all have a lovely Easter break and we look forward to welcoming you back to school on Tuesday 22nd April.

Nursery

We are delighted to share the wonderful progress of our newly opened nursery as we celebrate the success of its very first half term! It has been an inspiring journey watching our children settle into their new environment, forming friendships with their peers and the adults supporting them and enjoying the enriching curriculum.

The children have thrived in activities such as early maths skills and knowledge, maths, rhyme, rhythm and alliteration activities in phonics, and literacy story-time sessions. The curriculum and learning opportunities have been designed to support the executive functioning, secure foundational knowledge and skill as well as spark their curiosity and love for learning. The children have embraced the outdoor learning environment, making the most of the lovely weather to play, interact with their surroundings and explore the wider school environment. Their excitement and enthusiasm have been truly heartwarming as they grow more familiar with the environment and develop relationships with the adults who are dedicated to supporting them every day.

We are thrilled to share that feedback from parents and carers has been overwhelmingly positive! Your kind words have highlighted how much the children are enjoying their time at the nursery, and it encourages us to continue fostering a nurturing and engaging environment.

We look forward to many more exciting milestones as the nursery continues to grow and flourish!

No Nuts reminder

Please remember that we are a "no nuts" school. We cannot have nuts of any kind on site, this includes Nutella or chocolate nut spread even if it claims to have 0% nut contents. We appreciate your understanding of this very serious matter.

I hope you all have a restful weekend
Mr Parkin.
