Dear Parents,

It has been lovely to end the week with some dry weather which gives the children a chance to get out and explore our wonderful school grounds. The children have settled into school routines really well during their first full week at school and it is great to see them making progress in their learning.

Race Horse Visit

As part of National Racehorse week, we were very lucky to be visited by a racehorse and staff from Culverhill racing. Sonny (Aubusson) won over £250,000 in some of the top races in the country before retiring 2 years ago. The children loved getting a chance to meet him up close and also looking at all the different equipment that is needed by the team. They asked lots of great questions and found out all about how racehorses are cared for. A very exciting day!

Parking

I have had some reports of cars being parked on pavements around the entrance to the school which has stopped pedestrians being able to use them safely to walk to school. I will look to liaise with the local police officer around this anti-social parking and hopefully have some presence for school pick up and drop off. Please continue to walk, cycle or scoot to school if possible and report any obstructions to the school office. Thank you for your continued patience and understanding with helping all children arrive safely at school.

Teacher 'Get to Know You' Meetings

Each class will hold a short meeting during the w/c Monday 16th September which will be a chance for parents to meet their class teacher and hear all about how the class will work. Teachers will attempt to record as much information as possible so we can send out the information to anyone that cannot attend but please do come along if possible and spend some time with your child's new teacher.
