Dear Parents & Guardians,

24/01/25

We are excited to bring you the latest updates, news, and highlights from another wonderful week at SMCPs. This newsletter is your go-to source for everything happening across the school, from classroom achievements to upcoming events and important reminders.

Our aim is to keep you informed and engaged with school life, celebrating the fantastic efforts of our children, staff, and wider school community. We encourage you to take a moment to read through and see how you can get involved or support upcoming initiatives.

Celebration Assembly

In our celebration assembly this morning lots of Bronze awards were handed out to children who have reached 50 green points. Well done to Charlotte TH, Silas P, Miles TB, Ebony A, Lucy T, Jan M, Phoebe C, Adela T and Calhan L.

Sustainability News - No Electricity Days

Following another successful No Electricity Day, we are now reflecting on how it went and looking ahead to planning the next one. To help us improve, I've created a short Google Form for you to complete. Your feedback and ideas are invaluable in shaping these events, and the form also includes an opportunity to share what you enjoy about these days and provide input on other sustainability initiatives at our school. The form will only take a few minutes of your time but will greatly support our commitment to continuous improvement and creating a more sustainable school environment. Thank you for your ongoing support, and we look forward to hearing your thoughts.

PTA Newsletter

This week, we are delighted to share the latest PTA newsletter with you. It's a fantastic opportunity to discover the incredible work our PTA is doing to support the school and enhance the experiences of

our children. From organising exciting events to funding valuable resources, the PTA plays a vital role in enriching our school community.

The newsletter highlights the various activities and initiatives currently underway, as well as upcoming events where your involvement could make a real difference. Whether you have a little time to spare or specific skills to share, there are plenty of ways to get involved. Every contribution, no matter how small, helps lighten the load for everyone and ensures the success of these wonderful efforts.

We strongly encourage you to take a few moments to read through the newsletter and consider how you might be able to support the PTA. Together, we can achieve even more for our school and students. Thank you for your continued support and enthusiasm!

This week Avon Class had a very special visitor! Kylie from Devon County Council came to teach us all about Deaf Awareness. We were shown how sound waves travel through sound bowls and had lots of opportunities to ask Kylie questions. It was brilliant! Thank you for coming to see us, Kylie!

In Taw class this week during English, we looked at explanations by working in a team to explain the process of how a flower grows! There was some incredible discussions of how the process happens.

A big thank you to the children who took part in our RunPudsey event for Children In Need before Christmas. We have just received the RunPudsey medals to give out to the children. Aurelia/Nina, Bobbi and Finley thank you for your donations and supporting a very worthy charity.
