Headteacher: Mr T Parkin

Dear Parents & Guardians,

26/09/25

We've been enjoying a beautifully sunny week here at school, with lots going on across classrooms and playgrounds. There's a real buzz in the air as we head into autumn! We're especially excited to share some fantastic news in the coming weeks about the incredible work being done by our PTA and Mrs Gladman to develop our new library space. It's already looking fantastic, and we can't wait to show it off to everyone. A huge thank you to everyone who has played a part so far, your support is truly appreciated.

Reminder: No Items from Home

We kindly remind all parents and carers that children should not bring any items from home into school. This includes:

- Teddies and soft toys
- Personal toys or games
- Notebooks, pens, or other stationery

These items can cause distractions and may get lost or damaged. All necessary resources are provided in school, and we want to ensure a focused and safe learning environment for everyone.

Thank you for your support and understanding.

Thank you to those parents who have supported their child with logging on to Teams over the last week and engaged with the home learning tasks. These are excellent ways to support your child's learning and develop knowledge and skills. If you are having any difficulties accessing the homework then please speak to your child's class teacher. Homework club is available in school at lunch time on Thursdays and Fridays if they are unable to complete homework at home.

We would also like to remind parents about emailing staff; if you have a question or query for your child's class teacher, please email southmolton@thsp.org.uk who will then pass on your email to the relevant staff member so that they can reply through the school system. We are asking that staff are not directly emailed in line with Trust policy.

Census Day

On Thursday 2nd of October it is National School Census Day. On this day the number of children eating a school meal directly influences how much additional money the school receives from the government. This funding helps schools provide better resources, staffing, and support for all pupils. As a special treat on this day we have tweaked the menu choices to reflect the children's most popular choices.

Thursday 2nd Oct Week 2

Option 1: Margherita Pizza

Option 2: Brunch with Devon sausage, bacon, hash brown bites, and baked beans

Jacket Potato with either cheese, beans, or tuna

School Packed Lunch: Ham, cheese, or tuna Sandwich
