Dear Parents & Guardians,

19/06/26

We had a no-electricity day this week where the children worked a project based on an eco-themed story 'Clean Up'. Each class joined in with the different activities, and we thoroughly enjoyed the day. The children worked on a writing project and then spent time outdoors either planting, litter picking or improving our outdoor space. Thank you to Miss Marrow and Miss Langmead for organising the day alongside our fantastic Eco-Committee. We have no photos of the day as we all enjoyed a screen and technology free day!

Sports Day

We are fast approaching our Key Stage One Sports Day (Fri 26th June) and Key Stage Two Sports Day (3rd July). We are so looking forward to welcoming families to share this special event. The PTA will be selling refreshments for spectators throughout the events- please do not share these with your children until after school. In order to make sure our children are safe, parents need to stay within the designated zones on the field as we have done so in previous years. We would also like to politely remind parents to only take photos of their own child and that they are not shared on social media. For further information on Sports Day please see previous correspondence shared by Mrs Holland which is also available on our website under News and Events.

North Devon Countdown Cricket Competition Instow

Pupils enjoyed a fantastic day showcasing their cricket skills, with great teamwork, determination and positive attitudes throughout. It was lovely to see children supporting one another and applying what they have learned in PE. We are very proud of all the children during a busy week of sport, where everyone contributed to a positive and inclusive day.

Reminder Textiles Resources

During the week commencing 6th July, the whole school will take part in their final art and design unit: Textiles.

Children are asked to bring in one or two items of clothing to upcycle and reinvent. Suitable items include:

- Plain T-shirts
- Plain cardigans/sweaters
- Light-coloured trousers or skirts
- Old caps or hats

As part of their projects, children will cut, stitch and dye these items to create carnival-themed garments. *Although the South Molton Carnival has been cancelled, this textiles activity will still go ahead.*

Items can be stained, ripped or no longer liked, but must still fit. Please begin collecting and sending in suitable items. Extra items of varying sizes would also be greatly appreciated to support others.

Year 3/4 cricket festival at SMCC

On Tuesday, Puffin class attended a year 3/4 cricket festival at SMCC. The children were all very well behaved and really enjoyed getting involved in lots of cricket-based activities. They learnt new skills such as bowling, fielding and also throwing a ball at a wicket.

I hope you all have a restful weekend and enjoy some much-deserved sunshine!

Mrs Charles-Jones

Upcoming Events

KS1 Sports day - Friday 26th June 2026 - 1.30 - 3.00
