Parent View

Please can parents spare 5 minutes to fill in this short parent view questionnaire. We very much value parent views and this will help us to understand how you feel about the school. We will then feedback generalised data from these questions for your information. <https://forms.gle/DHJKMqHc1L6WWN6LA>

Parent helpers wanted for sports events. If you can help, please contact Mrs Holland sports@southmoltonprimary.devon.sch.uk

Parent Volunteers

Teachers will also mention how parents can volunteer in their child's class and I would like to tell you briefly about some of the other ways parents or family members can help out and volunteer around the school. Firstly, we really value any part you can play in helping the school and we would love to welcome as many parents or family members into school as possible. There are a variety of ways to help so I have listed some of the below. If you feel like you would like to help out in any of these ways or in any other way then please just let me, the school office or the class teacher. I am usually outside around the school in the morning and happy to chat about this or anything else.

- Governor - working with the governing board and SLT to make strategic decisions about the school
- PTA member - helping the school to raise vital funds that improve the school
- Trips and sports events
- Reading across the school
- General support in the classroom
- Gardening or outdoor learning support

Author Visit

Dunkery Class were very lucky to have the fantastic author Leisa Stewart Sharpe visit for Appledore Book Week! Leisa loves everything wild which fits in perfectly with our school nature values, she had lots of amazing stories to tell and a suitcase full of fun. Leisa's books include Frozen Planet 2, Blue Planet, How does chocolate taste on Everest and Wildlife. Please follow the link below to her website.

Football After-School Club

This half-term our Year 5/6 football team have been working really hard preparing for our league fixtures this season.

We have been working on different passing techniques, knowing what you need to do before, during and after a pass and applying this to a game situation.

Last year our Year 5/6 team won the league so we are hoping to follow in their footsteps this year!
