Dear Parents & Guardians,

05/06/26

We have had a super start to this week after a lovely, sunshine-filled half term! The Year 5 children had a fantastic day visiting Exeter Chiefs, with a full write-up below. Our Year 6 children have been practising for their performance of *The Greatest Showman*; more information about tickets for Year 6 parents will be shared soon. Finally, our Year 4 children have worked very hard to complete their multiplication checks online – a statutory assessment to test their times table knowledge. Well done, Year 4!

Don't forget, we are holding an exhibition to showcase our cultural diversity week in the hall on Thursday 11<sup>th</sup> June, straight after school. We hope to see you there!

## Year 5 Exeter Chiefs trip

Year 5 had a fantastic trip to visit Exeter Chiefs, where they met players, collected autographs, and watched an exciting training session. A huge thank you to Mrs Gardner for organising such a memorable experience for everyone. We hope to explore further opportunities with the children next year!

## Cultural Diversity Week

Next Thursday (11th June) at 3:15pm, we will be holding an exhibition in the Hall to showcase the wonderful work completed by our classes during Cultural Diversity Week, prior to half term.

Parents and carers are warmly invited to come along and view the fantastic work your children have produced as part of this celebration.

We very much hope you are able to join us and look forward to seeing you there.

## Lighting the fire and making s'mores

Before half term Landacre Class enjoyed a truly memorable Outdoor Learning session as part of their "100 Things to Do Before You Leave SMCP" journey. On a beautiful day, the children took part in a Forest School activity focused on lighting a fire safely and responsibly.

Under careful supervision, pupils demonstrated excellent understanding of the Forest School rules, showing great respect for safety procedures and the natural environment. They worked collaboratively to build and light the fire, developing important life skills such as teamwork, resilience, problem-solving, and responsibility.

One of the highlights of the session was making s'mores and toasting marshmallows over the fire – a well-earned treat that brought plenty of smiles and a real sense of achievement. It was a lovely way to end the half term, giving the children a chance to reflect on their experiences and celebrate their learning together. Outdoor learning plays a vital role in children's development. It encourages independence, builds confidence, and nurtures a connection with nature. Experiences like this help children to develop practical skills and create lasting memories, while also supporting their wellbeing and engagement with learning.

I hope you all have a restful weekend,

Mrs Charles-Jones

## Upcoming Events

Fathers Day Shop - 11th and 12th June  
KS1 Sports day - Friday 26th June 2026 - 1.30 - 3.00  
KS2 Sports Day Friday 3rd July 2026 - 9.30 - 12 and 1.30 - 3.00
