Dear Parents & Guardians,

12/09/25

We're delighted to share that the autumn term has started with fantastic energy and enthusiasm across the school. Our children have settled in beautifully and are already making impressive progress in their learning. From Reception to Year 6, classrooms are buzzing with curiosity, creativity, and collaboration. Teachers have been thrilled to see children embracing new challenges, showing resilience, and demonstrating a real love for learning. It's clear that this year is off to a wonderful start, and we can't wait to see what the rest of the term brings!

Thank you for your continued support, together we're building a joyful and successful learning journey for every child.

Fire Alarm Procedure

This morning, we carried out a run-through of our fire alarm procedure to ensure all children are familiar with the steps to take in the event of an emergency. The children responded brilliantly, calmly leaving the school building and lining up in silence on the playground.

We were incredibly impressed with how sensibly and responsibly everyone behaved. Well done to all the children for taking part and doing such a great job.

The children have been making the most of the pockets of sunshine that we have had this week. We offer so many fantastic activities and opportunities during our play and lunch time; there is something for everyone! Mrs O'Connor has been busy with lots of helpers recycling our food waste and turning this into compost. This is something that the children really enjoy helping with and learning about.

Thank you to Martin Brice from Chance To Shine for his fantastic cricket sessions this week! The children were really engaged in the session and enjoyed showing off their batting skills, they are all looking forward to next week!
