From the Early Years and Childcare team

- 2.3. If a parent is eligible for both the **2-year-old funding for working parents** from April 2023 and the targeted **2-year-old funding** school will claim the targeted two-year-old funding and parents will remain eligible for this funding even if their circumstances change.
- 2.4. We expect to admit children that will be using their Early Years Funding as well as children whose parents are buying additional hours and those that are both funded and buying hours.
- 2.5. There may be some children who are only attending for bought hours and some that only attend for funded hours.
- 2.6. The maximum amount of funded time that can be taken in a day is 10 hours; in our school, children can attend for up to 6 hours per day. Parents cannot use more than two sites for funded early years places in one day.

### 3. Admissions to the nursery

- South Molton Community Primary School admits:
- 3.1.
    - Eligible two-year-olds funded from the start of the funding period following their second birthday.
    - Non-funded two-year-olds from the start of the funding period following their second birthday.
    - Funded two-year-olds with working parents from the start of the funding period following their second birthday.
    - Early Years funded three- and four-year-olds from the start of the funding period following their third birthday.
    - Non-funded three- and four-year-olds from the start of funding period following their third birthday.

### 4. Points of Admission to nursery

- 4.1. Generally, children will start at nursery at the beginning of a term. Eligibility for the Early Years Funding for two-year-olds is from the start of the funding period following a child's second birthday and eligibility for all three-years-olds to receive

the Early Years Funding is at the start of the funding period following their third birthday.

- 4.2. This funding will be paid up until the time when the child reaches compulsory school age if the parent chooses to defer or delay entry into school.

<b>If a child is born (or reaches 9 months) between:</b>	<b>Funding can be claimed from:</b>
1 January and 31 March	1 April following the child's birthday
1 April and 31 August	1 September following the child's birthday
1 September and 31 December	1 January following the child's birthday

- 4.3. There is a legal requirement that all children begin **full time education** by the beginning of the term following their **fifth** birthday. All places offered in reception are for **full-time admission** in the September following the **fourth** birthday. This is a legal requirement on schools but not on parents who retain a right to defer admission or send their child part time.

## **5. Patterns of attendance available**

- 5.1. Our school makes an **offer** for the **universal** 570-hour (15 hours) funding entitlement and the 1140 hour extended entitlement (30 hours) funding of:

8.50 – 11:50

12:05 - 3:05

8.50 - 3:05

- 5.2. The school has signed the [Provider Agreement form](#) and is compliant with the requirements for funded hours.

6. **Extended Hours** - We are unable to offer a longer day for nursery/preschool children but will consider doing so in future, please ask in the office if you need an earlier drop off or later pick up and we will keep the situation under review.

- 6.1. If parents want to buy additional hours on top of the 15 funded hours or the 30-hour extended entitlement, they can do this during most of our opening times. We sell 3-hour/ long sessions. A 3 hour session is charged at £21.30 for 2 year old children and £15.66 for 3 & 4 year-old children.
- 6.2. The table below sets out the session times that you can choose. When applying for a place please tell us what sessions you need on the [Parent Declaration Form](#).

**We only consider requests for sessions AFTER the oversubscription criteria have been applied.**

#### **Our Model is:**

<b>Session choices</b>	<b>Hours</b>	<b>Bought or Funded</b>
08.50 - 11.50	3	Funded or bought
12:05 – 3:05	3	Funded or bought
08.50 – 3:05	6	Funded or bought

6.3. These are the sessions that you can choose. We claim funding on this basis. If you decide to collect your child early or drop them off later, you must tell us. By doing this you will either lose out on some of your funded entitlement hours or be paying for time that you have chosen not to take.

## **7. Charging**

7.1. There is no charge for applying for a place, for admission or for the provision of the funded entitlements. We will not request donations before or during the admissions process and any donations made to the school following admission are entirely voluntary. No bought activities are compulsory.

7.2. The school must comply with Devon County Councils [Provider Agreement](#).

7.3. Details about buying additional sessions in the nursery are set out in the schools **Charging and Remissions Policy** available on our website.

## **8. Help with the cost of childcare**

8.1. Our school accepts childcare vouchers.

8.2. Our school is [registered](#) for [tax free childcare](#).

8.3. Find the right offer for you on [Childcare Choices](#).

## **9. School Lunches**

9.1. As a governor run preschool we are not required to offer free school meals.

9.2. All children in our governor run preschool are offered the opportunity to either buy a school lunch or bring a packed lunch. Lunches can be booked via ParentPay. The current cost of a school lunch is £2.40 per day.

## **10. Visiting**

10.1. We welcome visits from parents and children who are considering applying for a place here. This is an opportunity for you to see what we have to offer. Visits are not

a compulsory part of the admissions process and will not affect decisions on whether a place can be offered at our nursery. If you would like to visit us, you should contact the school on 01769 572198 to make an appointment.

- 10.2. Most children will start at the nursery at the start of the term. Other children join us at other times. This may be because they are new to the area or would like to transfer from another early year's provider. However, if we have places available and an application is submitted, we will offer a place.
- 10.3. To apply for a place here you must use [Nursery Application Form DCAF-0 2024 - 2025](#) and [Parent Declaration Form](#)
- 10.4. Places are not allocated to a child automatically, even where:
  - there is an older sibling attending the school.
  - a child attends a particular toddler group or Children's Centre attached to the school.
  - a parent has expressed an interest at any time in the school; or
  - the child has always lived close to the school.
- 10.5. No places will be held in reserve for a child who applies late; the school cannot hold places empty if another child applies for admission. We will publicise the need to apply on our website but the responsibility for making an application will be with you as the parent.

## 11. How to apply for a nursery place

- 11.1. **Parents must complete both the DCAF-0 Application Form [Nursery Application Form DCAF-0 2024 - 2025](#) and the Parent Declaration Form [Parent Declaration Form](#) and return them to the school.**
- 11.2. The closing dates for applications for the nursery intake are 1 April, 1 July and 1 January. You can apply after these dates, but your application may not be considered until after all the applications that were on time. If you couldn't apply before because, for instance, you moved to this area, you should make sure that you inform the school. If the reason for applying after the closing date is accepted, your application will be considered at the same time as everyone who did apply on time if this is still possible.

## 12. Information provided in an application

- 12.1. We would like all applications to be fully and honestly completed. It is important that where we offer places to some and refuse others we do so fairly and consistently. Where we have reason to believe that information is false and has been provided knowingly, we may withdraw the offer of a place. This is particularly relevant where an address is given which is not the one from which a child will actually attend nursery and this disadvantages another child.
- 12.2. **Before making an application** parents need to have checked their eligibility for 2-year-old funding [here](#) and the extended entitlement funding (15 and 30 hours) [here](#); evidence of eligibility will be checked before an offer of a place is made.

- 12.3. Parents with three- and four-year-olds should check to see if they are eligible for Early Years Pupil Premium funding before making an application by completing this form [Early Years Pupil Premium Application Form](#).
- 12.4. If you know or believe that your child's address will change before admission, you must inform the school as this may affect your application.
- 12.5. You will be asked to provide **date of birth evidence** so we can check your child's age.

### 13. What happens next

- 13.1. If there are fewer applications than places, then no application will be refused. Only if there are more applications than there are places available will the governing body prioritise applications according to the oversubscription criteria.
- 13.2. The applications will be listed in order of priority. We do not consider the sessions requested when prioritising the applications.
- 13.3. We will endeavour to give the hours requested on the Parent Declaration Form. It is inevitable, however, that some parents who have been prioritised will not get the hours they have requested. In these instances, we will offer times (days/hours/weeks) that fall closest to the hours requested.
- 13.4. By 1 May, 1 October, and 1 February we will contact successful parents to welcome them to the nursery and to make arrangements for admission itself. You will also be contacted if we do not have a place available so that you can apply to another provider.

## 15. Published Nursery Admissions Number (PNAN)

- 15.1. This is the number of places we intend to make available for our normal nursery intake. Once we set this number, we will not refuse admission for applications below the PNAN. If there is unexpectedly high demand and we believe we could admit more children, we inform Devon County Council's Early Years and Childcare Team and either some children will be admitted above the PNAN or we will increase the PNAN. The number of children that can be admitted will depend on their age, the amount of floor space we have and whether additional staff will be required.
- 15.2. The governing body also factor in the local demand for places. If there is a change to the PNAN part way through the year this will be published on our website.
- 15.3. If there is an increase in the demand for places the governors may decide to increase the PNAN to accommodate children on the waiting list and conversely reduce the PNAN if there is a very low demand.
- 15.4. The table below sets out our Published Nursery Admissions Number (PNAN) for 2024/25

<b>The maximum number of 3 and 4-year-old children that will be admitted at any one time is:</b>	11
<b>The maximum number of 2-year-old children that will be admitted at any one time is:</b>	5
<b>The maximum number of 2,3 and 4-year-old children that will be admitted at any one time is:</b>	16

- 15.5. Where the number of applications exceeds the number of places available the governing body will use the following oversubscription criteria to prioritise applications for both funded and bought hours:

### 16. Waiting lists

- 16.1. Following the allocation of nursery places the school will retain a waiting list. Waiting lists will be kept in order of the oversubscription criteria. Places on lists will not be prioritised according to how long a child's name has been on that list or by the age of the child or by whether the sessions are funded or bought. It is possible that a child's name could go down on a list as well as up.

- 16.2. If a place is only available for a short period of time, i.e., half a term or less, then the school will discuss with the parent whether it would be in the child's best interest to attend the nursery for such a short period of time before having to find a place at another provider. Continuity and consistency of care is most important in the early years and having lots of transitions can be disruptive for a child.
- 16.3. Parents with children that are not due to start within the next two terms, will be asked to complete the [Note of Interest for a Nursery Place Jan 2024 to Aug 2025](#) told when they should apply.

## **17. Increasing the hours attended**

- 17.1. If there are parents of children that already attend the nursery who want to either take up additional funded hours and/or buy extra hours a list of those parents will be made, and the oversubscription criteria will be applied to determine who should be given priority for the available session/s.
- 17.2. The admissions panel will work their way down this prioritised list until everyone has been offered the sessions available.
- 17.3. If there are unfilled sessions remaining after those in attendance have been given the sessions - those unfilled sessions will be offered to children on the prioritised waiting list.

## **18. Admissions appeals**

- 18.1. If a nursery place is refused, parents can go through the school's complaints process by writing to our Chair of Governors, Mr. C. Brown, to express their concerns. The governing body will review the decision and decide whether the refusal was justified on the grounds that the nursery is full. Even if it is agreed that the nursery was full, it will also consider the impact on the child and family and may still award a place at the nursery if there is both the physical space and sufficient staff available.

## **19. Transport**

- 19.1. No transport is available for nursery children.

## **20. Uniform**

- 20.1. Children attending nursery are encouraged to wear a school sweatshirt (available from Thomas Moore, Exeter (<https://www.thomasmooretoymaster.com/>)). Parents unable to purchase items of uniform or equipment will not be penalised, wearing uniform in the nursery is optional.

## **21. Claiming the Early Years Funding**

- 21.1. The Early Years Funding can be taken at more than one provider; parents cannot use providers on more than two sites in one day. The provider claims the funding on your behalf based on the sessions that have been booked.
- 21.2. It is important that both the school and parent can see what time is funded and what time is being bought.

21.3. Parents must not claim more than the 570 or 1140-hour entitlement, checks are carried out to ensure that over claims are not made.

## 22. Changes to attendance

22.1. Changes to the times when a child is attending will generally only be agreed to take effect from the start of a term. The oversubscription criteria will be applied to both a) and b) below to determine within each group which children should be given priority for the unfilled places.

a) Parents whose children already attend the nursery to **increase or change the times their child attends.**

b) **New applications** from parents whose children do not yet attend the nursery and are on the prioritised waiting list.

22.2. It is expected that parents will ensure that their child attends at the times agreed so that children can establish a good routine and be ready to start school.

## 23. Induction and transition arrangements

23.1. Before your child starts with us, we will arrange a home visit. This is an opportunity to get to know your child in their familiar setting, answer any questions you have and give you an opportunity to speak confidentially about your child's needs and development. It's also an opportunity for us to start to establish a relationship with your child, and hopefully means your child recognises, and is reassured by, a "friendly face" when they start.
